## WHAT HAVE WE DONE SO FAR

In all its 74 years of reputable existence, the Philippine Red Cross has lived through many changes that were intended to help more people. Where it used to be involved only in providing blood and in disaster-related activities, the Philippine Red Cross now focuses on a holistic approach to uplift the condition of the most vulnerable. Where it used to offer short-term palliatives, it now offers a wider array of humanitarian services ranging from preventive medicine to therapeutic counseling, to youth leadership

# HOME WHAT WE DO ABOUT US

The National Blood Services is the Philippine Red Cross' arm that delivers adequate, safe and quality blood supply to the most vulnerable. Through its 88 blood service facilities nationwide, the PRC has been the leading provider of blood and blood products in the country. The PRC continuously promotes voluntary non-remunerated blood donation to attain adequacy.

Disaster Management Services is one of the major services of the Philippine Red Cross, primarily tasked to deliver humanitarian assistance during emergency and disaster situations. Through its wide network of well-trained, skilled, and committed staff and volunteers across the country, the DMS implements its mandate through an integrated holistic approach to save lives, minimize human suffering, and to reduce losses and damages.

As one of the leading providers of first aid training in the world, the Philippine Red Cross' Safety Services is tasked with a nationwide educational campaign to ensure the health and safety of the Filipino people. It also offers programs that are aligned with international standards.

Health Services supports the expansion of primary health care coverage with its community-based health programs. It also ensures timely response to public health emergencies and the delivery of essential health care services in times of disasters. Its program is centered on the importance of health promotion and prevention of diseases.

Welfare Service responds to the needs of the most vulnerable, adhering for the well-being of every individual, and most especially promoting the inherent worth and dignity of human being. The programs and services that has been implemented focuses on the proactive approaches and strategies, together with traditional reactive measures.

Volunteer Service Office handles programs aim at encouraging people to become an army of volunteers of the Philippine Red Cross (PRC) by sharing their resources, time, and efforts to alleviate human suffering. It takes active charge of the administration, development, growth, and effective mobilization of volunteers in all aspects of PRC services within the chapter's jurisdiction in particular and/or the whole country.

## Involvements

The Philippine Red Cross Organization works with numerous organizations that share the same goal. From providing first aid service to certain events to having blood donations in collaboration with other organizations to further help the community. Working alongside other organizations allows the Philippine Red Cross Association to further promote its values towards serving the community. All tasks done by the Red Cross Association have helped numerous communities through providing knowledge to willing volunteers/learners or providing typical health services.

The Philippine Red Cross Association is a government-recognized organization and does work with the Philippine Government in order to help and serve the nation. Philippine Red Cross also works alongside numerous schools or companies to help fellow citizens learn and understand basic first aid.

## Activities and Participations

**Give Blood:** The National Blood Services of the Philippine Red Cross delivers adequate, safe, and quality blood supply accessible at all times to the most vulnerable. Through its 107 blood service facilities nationwide, the PRC has been one of the leading providers of blood and blood products in the country. The PRC continually promotes blood donation to attain adequacy.

To meet the increasing demand for blood and augment the national blood requirement, the PRC conducts education, advocacy, and recruitment sessions to encourage regular blood donations from communities, workplaces, government/non-government agencies, civic organizations, churches, colleges, and universities nationwide.

**Train with Us:** Train your employees with the knowledge and skills they need for effective leadership in the event of an emergency. From First Aid and CPR training, to Lifeguard and EMT certification, The Philippine Red Cross has the emergency health and safety training and certification options available to suit your employees' needs.

# Who We Are

Philippine Red Cross is a premier humanitarian organization in the country that is committed on various social welfare services and promoting volunteerism. Providing service to all those in need in times of emergencies.

The story of the Philippine Red Cross is the story of men and women from all walks of life who have dedicated themselves to the service of humanity. It is the tale of hundreds of thousands of ordinary people who devoted their time and resources to help the poorest of the poor. Professionally trained and truly compassionate, these men and women are ready to lend a helping hand to those in need – whoever, whenever and wherever they may be.

## Mission

The Philippine Red Cross will provide a sustained and effective humanitarian service committed to build resilient communities, ran by well-trained and dedicated staff and volunteers imbued with integrity, equipped with the necessary logistics and the maximum usage of information technology. We will continue to expand our volunteer network in every part of the country to ensure swift delivery of our services.

## Vision

To be the foremost humanitarian organization ready to meet the challenges and capable of rapid delivery of humanitarian services in order to prevent and alleviate human suffering and uplift the dignity of the most vulnerable.

## How to Participate?

Red Cross 143 is a community-based volunteering program of the Philippine Red Cross where one leader and a minimum of forty three (43) members form part of an active corps of capable, caring, and committed individuals. RC 143 promotes a culture of self-help in the communities by developing a formidable network of Red Cross volunteers who will predict potential risk, plan, prepare, and practice for effective community based disaster risk reduction.
